SUBJECT: EXTENSION OF THE DUE DATE FOR LOCAL PLAN MODIFICATIONS
FOR PY 2007-08

This information notice announces an extension to the due date for local plan modifications for PY 2007-08 identified in the Workforce Services Draft Directive WSDD-2. In response to comments received pertaining to the October 1, 2007, due date in the draft directive and discrepancy with the narrative forms link to the draft directive, the new due date for submitting local plan modifications has been extended to November 15, 2007. A revised set of narrative forms will be made available as an attachment to the final directive which we anticipate will be released the week of September 17, 2007.

In addition, we understand that some local areas may be unable to obtain the approval of both the Local Board Chair and the Chief Elected Official(s) by the due date (e.g., because of the scheduling of their respective board meetings). In that event, the local areas must submit at least one copy of the unsigned modification by the due date with an explanation of why they were unable to meet the deadline and provide the date when the signed plan will be sent to the Employment Development Department.

If you have any questions about this information notice, please contact Gabriel Garcia at ggarcia@edd.ca.gov or by telephone at (916) 654-6737.
